SOIL BANK PROGRAM

"In the Second Supplemental Appropriation Act, 1958, Congress authorized an increase in the 1958 acreage reserve program from \$500 million to \$750 million, due to the unexpectedly large sign-ups last spring. Payments under this increased authorization are estimated to run slightly less than \$700 million, which will bring total costs of the program for the three fiscal years, 1956 through 1958, to an estimated total of \$1,640 to \$1,645 million.

"A total of \$1,363,058,415 has been appropriated to date to meet these commitments. House Document No. 394 proposes an appropriation of \$282,800,000 to cover the balance of the program payments. This figure represents total commitments as of May 16, 1958. Since that date, however, this figure has been scaled downward by the Department, due to contract cancellations. Doubtless, further reductions in commitments will occur before final payments are made. In view of these facts, the Committee has included only \$275,000,000 in the accompanying bill, which it believes will be adequate to pay all contracts. However, it stands ready to recommend any additional funds needed to meet all obligations."

2. APPROPRIATIONS. Both Houses agreed to the conference report on H. R. 11645, the Labor-HEW appropriation bill for 1959, and acted on amendments in disagreement. With regard to the Mexican farm labor program, agreed to restore the House language to provide \$480,600 for determining compliance with contract under the program, and to provide \$1,550,000 for administration of the program, with a proviso that reimbursement to the U. S. under agreements hereafter entered into pursuant to Sec. 502 of the act of October 31, 1949, shall include all expenses of the program operations except for those compliance activities separately provided for in the bill. This bill will now be sent to the President. pp. 12919-22; 3003-5
3. MINERALS. A subcommittee of the Interior and Insular Affairs Committee ordered reported S. 3817, to authorize loans for the development or mineral resources in the U. S. p. D702
4. AREA REDEVELOPMENT. Rep. Hale urged the Rules Committee to grant a rule and send "to the House as soon as possible" S. 3683, the area redevelopment bill to aid economically depressed areas, and stated that "delay in this vital legislation would be inexcusable." p. 12923
5. COMMITTEE ASSIGNMENTS. Rep. Pfof resigned from the Post Office and Civil Service Committee and was elected to the Public Works Committee. pp. 12923, 12924
6. FOOD ADDITIVES. Rep. Harden urged enactment of legislation for the stricter regulation of the use of chemical additives in the processing of food. p. 12953
7. STOCKPILING. Both Houses received from GSA a notice of a proposed disposition of approximately 1,518,899 pounds of Chinese hog bristles now held in the national stockpile. pp. 12957, 12960
8. LEGISLATIVE PROGRAM. Rep. McCormack announced the following legislative program: Mon., July 21: the following will be considered under suspension of the rules: S. 3420, extension of Public Law 480; H. R. 13382, the small business tax relief bill; S. 1939, amendments to the Federal Seed Act; H. R. 13140, to revise the depository library laws; and Consent Calendar. Tues.: H. LAND EXCHANGE, UINTA NATIONAL FOREST

-----Ordered to be printed

Mr. ELLENDER, from the Committee on Agriculture and Forestry,
submitted the following

REPORT

[To accompany S. 3248]

The Committee on Agriculture and Forestry, to whom was referred the bill (S. 3248), to authorize the Secretary of Agriculture to exchange lands comprising the Pleasant Grove Administrative Site, Uinta National Forest, Utah, and for other purposes, having considered the same, report thereon with a recommendation that it do pass without amendment.

This bill would authorize the Secretary of Agriculture to convey to the Pleasant Grove Second Corp. of the Church of Jesus Christ of Latter-day Saints a 0.75-acre tract of land in the city of Pleasant Grove, Utah, in exchange for an 0.83-acre tract in the city of Pleasant Grove and a 2-acre tract near that city. The Government land is appraised at \$3,323, while the privately owned tracts are appraised at \$3,850.

In addition, the bill provides that the Pleasant Grove Second Corp. of the Church of Jesus Christ of Latter-day Saints shall remove all structures, improvements, appurtenances, and facilities situated on the Government-owned site and relocate or reconstruct them at its expense in a manner satisfactory to the Secretary of Agriculture on the tract of land located in the city of Pleasant Grove which is to be transferred to the Government.

The 0.75-acre site now owned by the Government adjoins the site of the local church and is presently used as the Pleasant Grove Administrative Site while the 0.83-acre tract which would be conveyed to the United States is located about 500 feet distant from the present administrative site.

Following is the letter from the Department of Agriculture indicating its approval of the bill and recommendation for enactment.

DEPARTMENT OF AGRICULTURE,
Washington, D. C., March 19, 1958.

HON. ALLEN J. ELLENDER,
Chairman, Committee on Agriculture and Forestry,
United States Senate.

DEAR SENATOR ELLENDER: In response to your letter of February 7, 1958, we are glad to provide herewith our report on S. 3248, a bill to authorize the Secretary of Agriculture to exchange lands comprising the Pleasant Grove Administrative Site, Uinta National Forest, Utah, and for other purposes.

We recommend that S. 3248 be enacted.

This bill would authorize the Secretary of Agriculture to convey to the Pleasant Grove Second Corp. of the Church of Jesus Christ of Latter-day Saints a 0.75-acre tract of land in the city of Pleasant Grove, Utah. This tract is now occupied by the Forest Service as an administrative site in connection with the Uinta National Forest. In exchange for this tract the Secretary would be authorized to accept title to an 0.83-acre tract in the city of Pleasant Grove and a 2-acre tract near that city. The Pleasant Grove Second Corp. would be required, prior to consummation of the exchange and as a condition to the execution of the deed conveying the Government land, to remove at its own expense the structures, improvements, appurtenances, and facilities situated on the present administrative site and to relocate, reconstruct or replace them on the 0.83-acre tract to be conveyed to the United States. A performance bond in favor of the United States to assure the relocation or reconstruction of such improvements and facilities would be required.

The tract owned by the United States and now used as the Pleasant Grove administrative site has on it an office building and combined storage building and garage. It is improved with sidewalks, water, gas, sewer connections, electricity, and telephone lines. This tract adjoins the site of the local church. It is the only suitable area for needed expansion of church improvements and facilities.

The 0.83-acre tract which would be conveyed to the United States in the proposed exchange is a city lot in Pleasant Grove located about 500 feet distant from the present administrative site. It is adequate and acceptable as a site for the administrative improvements needed by the Forest Service. The 2-acre tract which would be conveyed to the United States in the exchange is located just outside of the city. It would provide a small pasture needed for Government-owned horses. It is conveniently located and there is included the right to water from a nearby spring.

The lands have been appraised by three disinterested persons familiar with land values in the vicinity. The average appraised value of the lands to be conveyed to the Government is \$3,850 and the average appraised value of the Pleasant Grove administrative site, exclusive of improvements, is \$3,323. The bill would not involve additional costs to the United States.

The present administrative site was purchased by the United States in 1937. It is not within the purview of any of the exchange laws applicable to lands administered by the Forest Service. Additional legislation, therefore, is necessary to authorize the proposed exchange.

The Bureau of the Budget advises that there is no objection to the submission of this report.

Sincerely yours,

TRUE D. MORSE, *Acting Secretary.*

5. FORESTRY. Passed without amendment the following bills:
H. R. 10321, to authorize the exchange of lands of the Estes Park Administrative Site, Roosevelt National Forest, for lands of equal value outside

vary of Agriculture to sell to Salt Lake City, Utah, a tract of land used by the Forest Service as the location for a forest fire control warehouse and suppression crew headquarters. The city would be required to pay full market value as determined by the Secretary of Agriculture, and the proceeds would be available for the construction of new fire control facilities on a more suitable site owned by the Government.

The city needs the tract for municipal purposes. It is not suitable for the purposes for which it is now used by the Government, since the city has built up around it and fire crews situated at this station must travel through congested areas to reach fires on the national forest. This increases hazards of accident and hampers fire control. The transfer will be of advantage to both the city and the Forest Service.

The committee amendments, which are of a technical nature, were suggested by the Department of Agriculture, and are fully explained in the report.

The bill meets what is known as the Morse formula.

The PRESIDING OFFICER. The question is on agreeing to the committee amendments.

The amendments were agreed to.

The bill was ordered to be engrossed for a third reading, read the third time, and passed.

EXCHANGE OF CERTAIN LANDS, ROOSEVELT NATIONAL FOREST, COLO.

Mr. CHURCH. Mr. President, I ask unanimous consent that the unfinished business be temporarily laid aside and that the Senate proceed to the consideration of Order No. 1883, H. R. 10321.

The PRESIDING OFFICER. Is there objection to the request of the Senator from Idaho?

There being no objection, the Senate proceeded to consider the bill (H. R. 10321) to authorize the Secretary of Agriculture to exchange lands comprising a portion of Estes Park Administrative site, Roosevelt National Forest, Colo., and for other purposes.

Mr. JOHNSTON of South Carolina. Mr. President, the bill would authorize the Secretary of Agriculture to exchange about 4 acres of land near Estes Park, Colo., for land of equal value on the outskirts of Fort Collins, Colo. The land near Estes Park is not needed by the Forest Service, while additional land in the Fort Collins area is urgently needed in connection with its administrative headquarters in that city.

This bill also meets the Morse formula.

The PRESIDING OFFICER. If there be no amendment to be proposed, the question is on the third reading of the bill.

The bill (H. R. 10321) was ordered to a third reading, read the third time, and passed.

EXCHANGE OF LANDS AND IMPROVEMENTS WITH THE CITY OF REDDING, CALIF.

Mr. CHURCH. Mr. President, I ask unanimous consent that the unfinished

business be temporarily laid aside and that the Senate proceed to the consideration of order No. 1884, H. R. 11253.

The PRESIDING OFFICER. Is there objection to the request of the Senator from Idaho?

There being no objection, the Senate proceeded to consider the bill (H. R. 11253) to authorize the Secretary of Agriculture to exchange land and improvements with the city of Redding, Shasta County, Calif., and for other purposes.

Mr. JOHNSTON of South Carolina. Mr. President, the bill would authorize the Secretary to exchange approximately 11.98 acres within the city of Redding, Calif., owned by the United States and used by the Forest Service, for approximately 40 acres at the Redding Municipal Airport, owned by the city of Redding. The bill further provides that the land and improvements to be conveyed to the United States shall have a value not less than the land and improvements offered in exchange.

In addition, it would be required that the improvements on the land conveyed to the United States meet the needs and requirements of the Forest Service at least as satisfactorily as those now on the land owned by the Government.

The bill would provide that the lands conveyed to the United States be a part of the Shasta National Forest and subject to the laws, rules, and regulations applicable to lands acquired under the act of March 1, 1911.

The Federal property in Redding is used by the Forest Service as a multi-functional headquarters. The forest supervisor of the Shasta-Trinity National Forest has his office there. In addition, equipment shops and fire-control functions serving seven national forests in northern California are headquartered on the site. The latter consists of a zone dispatcher, a fire-danger weather-forecasting station—manned by the Weather Bureau—a smoke-jumper center, a zone fire-equipment cache, and a paracargo center.

For some time the Forest Service has recognized the need to improve its physical plant and relocate the functions it carries on at the Redding site. In turn, the city of Redding has need for the Federal property in order that it might consider its civic functions in one center. The city, therefore, proposed the idea of exchanging properties erecting on the property it would convey certain improvements needed by the Forest Service. The Secretary of Agriculture has no authority to make the proposed exchange, hence the need for the legislation.

This bill also meets the Morse formula.

The PRESIDING OFFICER. The bill is open to amendment. If there be no amendment to be proposed, the question is on the third reading of the bill.

The bill (H. R. 11253) was ordered to a third reading, read the third time, and passed.

EXCHANGE OF LANDS, UINTA NATIONAL FOREST, UTAH

Mr. CHURCH. Mr. President, I ask unanimous consent that the unfinished

business be temporarily laid aside and that the Senate proceed to the consideration of order No. 1885, S. 3248.

The PRESIDING OFFICER. Is there objection to the request of the Senator from Idaho?

There being no objection, the Senate proceeded to consider the bill (S. 3248) to authorize the Secretary of Agriculture to exchange lands comprising the Pleasant Grove administrative site, Uinta National Forest, Utah, and for other purposes.

Mr. JOHNSTON of South Carolina. Mr. President, the bill would authorize the Secretary of Agriculture to convey to the Pleasant Grove Second Corporation of the Church of Jesus Christ of Latter-day Saints a 0.75-acre tract of land in the city of Pleasant Grove, Utah, in exchange for an 0.83-acre tract in the city of Pleasant Grove and a 2-acre tract near that city. The Government land is appraised at \$3,323, while the privately owned tracts are appraised at \$3,850.

In addition, the church will remove all structures situated on the Government-owned site and relocate them on the tract of land located in the city which is to be transferred to the Government. The Government tract is the only tract suitable for needed expansion of the church, while the city tract to be conveyed by the church is entirely suitable to the Government's needs and the 2-acre tract will provide needed pasture for Government horses. The Government will receive full consideration.

The PRESIDING OFFICER. The bill is open to amendment. If there be no amendment to be proposed, the question is on the engrossment and third reading of the bill.

The bill (S. 3248) was ordered to be engrossed for a third reading, read the third time, and passed, as follows:

Be it enacted, etc., That the Secretary of Agriculture is authorized to convey by quitclaim deed to the Pleasant Grove Second Corporation of the Church of Jesus Christ of Latter-day Saints, a corporation organized and existing under the laws of the State of Utah, all right, title, and interest of the United States in and to the following described tract of land comprising the Pleasant Grove Administrative Site, Uinta National Forest, Pleasant Grove, Utah: Beginning at a point which is 148.5 feet north from the southeast corner of lot 1, block 49 of the survey of Pleasant Grove townsite; thence west 165 feet; thence north 198 feet; thence east 165 feet; thence south 198 feet to point of beginning, containing .75 acre, more or less, and to accept in exchange therefor a conveyance in fee simple by warranty deed to the United States by said Pleasant Grove Second Corporation of the Church of Jesus Christ of Latter-day Saints of the following described tracts of land located in Pleasant Grove, State of Utah. Tract 1: Commencing at a point in the west line of block 52, plat "A", Pleasant Grove City survey of building lots; which point of beginning is south 0 degrees 30 minutes west along the centerline of Second West Street, a distance of 33.0 feet and south 89 degrees 30 minutes east 28.6 feet from the intersection monument at said Second West Street and Fourth North Street as per the official city plat of Pleasant Grove City (1939); and running thence south 89 degrees 30 minutes east 247.5 feet; thence south 8 degrees 58 minutes east 142.0 feet; thence north 89 degrees 30 minutes west 269.8 feet to the west line of said block

52; thence with said block line north 0 degrees 05 minutes east 140.0 feet to the point of beginning, containing .83 acre, more or less. Tract 2: Commencing 70 links south and 9.85 chains each of the one-quarter corner common to sections 29 and 30, township 5 south, range 2 east of the Salt Lake base and meridian; thence east 132 feet; thence north 660 feet; thence west 132 feet; thence south 660 feet to the point of beginning, containing 2 acres, more or less, together with the spring arising on and appertaining thereto and used exclusively in connection with said tract: *Provided*, That the lands conveyed by either party under the provisions of this bill shall be subject to rights-of-way, exceptions, reservations, or conditions outstanding of record.

SEC. 2. Prior to the consummation of the exchange authorized by the first section of this bill, and as a condition to the execution of the quitclaim deed by the Secretary of Agriculture, the Pleasant Grove Second Corporation of the Church of Jesus Christ of Latter-day Saints shall remove all structures, improvements, appurtenances, and facilities situated on the Pleasant Grove Administrative Site described in section 1 of this bill and relocate or reconstruct them at its expense in a manner satisfactory to the Secretary of Agriculture on the tract of land described in section 1 of this bill as tract 1 of the lands which the Pleasant Grove Second Corporation of the Church of Jesus Christ of Latter-day Saints proposed to exchange with the United States. Previous to the removal of the aforesaid structures, improvements, appurtenances, and facilities the Pleasant Grove Second Corporation of the Church of Jesus Christ of Latter-day Saints shall furnish a performance bond in favor of the United States satisfactory to the Secretary of Agriculture to assure the proper relocation or reconstruction of such structures, improvements, appurtenances, and facilities.

TOWNSITES IN NATIONAL FORESTS

Mr. CHURCH. Mr. President, I ask unanimous consent that the unfinished business be temporarily laid aside and that the Senate proceed to the consideration of Order No. 1886, H. R. 12161.

The PRESIDING OFFICER. Is there objection to the request of the Senator from Idaho?

There being no objection, the Senate proceeded to consider the bill (H. R. 12161) to provide for the establishment of townsites, and for other purposes.

Mr. JOHNSTON of South Carolina. Mr. President, the bill would authorize the Secretary of Agriculture to set aside areas of national-forest land or land administered by him under title III of the Bankhead-Jones Farm Tenant Act, as townsites and divide such areas into townlots to be offered at public sale to the highest bidder for not less than appraised value thereof.

The need for the legislation arises primarily from three circumstances: First, where a national forest is immediately adjacent to a growing urban community; second, where a town or settlement within the national forest on private land is outgrowing the available private land; third, where a sawmill, mining development, power dam, or other permanent installation within a national forest makes the establishment of a townsite administratively desirable. Under present laws, the Forest Service has no authority to sell national-forest

land to private owners for the building of houses and similar structures. Where it has become necessary, for any reason, for private residences and other structures to be built on national-forest land, it is now done under special use permits which convey no title to the land.

Such a policy makes it difficult for the individual, who must build his house or other building on land he does not own, and also for the Forest Service which must—in the event of any substantial settlement—enter into the business of providing municipal services such as fire and police protection, sanitation, and so forth, which are considerably outside its usual functions.

For these reasons, the administration asks that the bill be passed.

The PRESIDING OFFICER. The bill is open to amendment. If there be no amendment to be proposed, the question is on the third reading of the bill.

The bill (H. R. 12161) was ordered to a third reading, read the third time, and passed.

ADMINISTRATION OF CERTAIN LANDS WITHIN NATIONAL FORESTS

Mr. CHURCH. Mr. President, I ask unanimous consent that the unfinished business be temporarily laid aside and that the Senate proceed to the consideration of Order No. 1887, S. 3741.

The PRESIDING OFFICER. Is there objection to the request of the Senator from Idaho?

There being no objection, the Senate proceeded to consider the bill (S. 3741) to facilitate administration and management by the Secretary of Agriculture of certain lands of the United States within national forests which had been reported from the Committee on Agriculture and Forestry, with an amendment, on page 2, line 8, after the word "Provided," to strike out "That nothing in this act shall be construed as affecting the status of national forest lands administered as such by the Secretary of Agriculture under the act of June 24, 1954 (68 Stat. 270), and which were formerly revested Oregon and California Railroad grant lands" and insert "That nothing in this act shall be construed as (1) affecting the status of lands administered by the Secretary of Agriculture under the act of June 24, 1954 (68 Stat. 270), and which are revested Oregon and California Railroad grant lands, administered as national forest lands, or (2) changing the disposition of revenues from or authorizing the exchange of the lands, or the timber thereon, described in the act of February 11, 1920 (ch. 69, 41 Stat. 405), the act of September 22, 1922 (ch. 407, 42 Stat. 1019), and the act of June 4, 1936 (ch. 494, 49 Stat. 1460).", so as to make the bill read:

Be it enacted, etc., That, in order to facilitate the administration, management, and consolidation of the national forests, all lands of the United States within the exterior boundaries of national forests which were or hereafter are acquired for or in connection with the national forests or transferred to the Forest Service Department of Agriculture, for administration and protection substantially in accordance with national forest regulations, policies, and pro-

cedures, excepting (a) lands reserved from the public domain or acquired pursuant to laws authorizing the exchange of land or timber reserved from or part of the public domain, and (b) lands within the official limits of towns or cities, notwithstanding the provisions of any other act, are hereby made subject to the Weeks Act of March 1, 1911 (36 Stat. 961), as amended, and to all laws, rules, and regulations applicable to national forest lands acquired thereunder: *Provided*, That nothing in this act shall be construed as (1) affecting the status of lands administered by the Secretary of Agriculture under the act of June 24, 1954 (68 Stat. 270), and which are revested Oregon and California Railroad grant lands, administered as national forest lands, or (2) changing the disposition of revenues from or authorizing the exchange of the lands, or the timber thereon, described in the act of February 11, 1920 (ch. 69, 41 Stat. 405), the act of September 22, 1922 (ch. 407, 42 Stat. 1019), and the act of June 4, 1936 (ch. 494, 49 Stat. 1460).

Mr. JOHNSTON of South Carolina. Mr. President, this bill would facilitate administration of the national forests by providing that the rules applicable to Weeks law lands shall also be applicable to a large group of lands acquired under various authorities and administered in connection with the national forests. Subject to minor exceptions, all Federal lands in the forests would then be administered as lands reserved from the public domain or Weeks law lands; and the Department would not have to consider conflicting rules applicable to various small parcels in taking any administrative action.

The bill was intended to exclude from its provisions all revested Oregon & California Railroad grant lands. However, it was discovered after the bill had been introduced that certain revested Oregon & California Railroad grant lands had not been excluded; and the committee amendment, which has the approval of the Department of Agriculture, would remedy this oversight by excluding these lands.

The PRESIDING OFFICER. The question is on agreeing to the committee amendment.

The amendment was agreed to.

The bill was ordered to be engrossed for a third reading, read the third time, and passed.

Mr. CHURCH. Mr. President, I suggest the absence of a quorum.

The PRESIDING OFFICER. The clerk will call the roll.

The legislative clerk proceeded to call the roll.

Mr. CHURCH. Mr. President, I ask unanimous consent that the order for the quorum call be rescinded.

The PRESIDING OFFICER. Without objection, it is so ordered.

INCREASED USE OF AGRICULTURAL PRODUCTS FOR INDUSTRIAL PURPOSES

Mr. CHURCH. Mr. President, I ask unanimous consent that the unfinished business be temporarily laid aside and that the Senate proceed to the consideration of Calendar No. 1831, Senate bill 4100.

LAND EXCHANGE—PLEASANT GROVE, UTAH

JULY 30, 1958.—Committed to the Committee of the Whole House on the State of the Union and ordered to be printed

Mr. COOLEY, from the Committee on Agriculture, submitted the following

REPORT

[To accompany H. R. 13257]

The Committee on Agriculture, to whom was referred the bill (H. R. 13257) to authorize the Secretary of Agriculture to exchange lands comprising the Pleasant Grove administrative site, Uinta National Forest, Utah, and for other purposes, having considered the same, report favorably thereon without amendment and recommend that the bill do pass.

PURPOSE AND NEED OF BILL

The purpose of this bill is to authorize the Secretary of Agriculture to exchange approximately 0.75 acres of land in Pleasant Grove, Utah, for approximately 0.8 acre of land in the same town plus a 2-acre pasture at the edge of town. The land to be conveyed by the United States is appraised at \$3,323. That to be received by the United States in exchange is appraised at \$3,850.

DEPARTMENTAL APPROVAL

The following letter from the Department of Agriculture recommending that H. R. 13257 be enacted gives some further details of the reasons for this legislation and describes the conditions under which the transfer is to be made.

DEPARTMENT OF AGRICULTURE,
Washington, D. C., July 24, 1958.

HON. HAROLD D. COOLEY,
*Chairman, Committee on Agriculture,
House of Representatives.*

DEAR CONGRESSMAN COOLEY: In response to your letter of July 19, 1958, we are glad to provide herewith our report on H. R. 13257, a bill to authorize the Secretary of Agriculture to exchange lands

comprising the Pleasant Grove administrative site, Uinta National Forest, Utah, and for other purposes.

We recommend that H. R. 13257 be enacted.

This bill would authorize the Secretary of Agriculture to convey to the Pleasant Grove Second Corporation of the Church of Jesus Christ of Latter-day Saints a 0.75-acre tract of land in the city of Pleasant Grove, Utah. This tract is now occupied by the Forest Service as an administrative site in connection with the Uinta National Forest. In exchange for this tract the Secretary would be authorized to accept title to an 0.83-acre tract in the city of Pleasant Grove and a 2-acre tract near that city. The Pleasant Grove Second Corporation would be required, prior to consummation of the exchange and as a condition to the execution of the deed conveying the Government land, to remove at its own expense the structure, improvements, appurtenances, and facilities situated on the present administrative site and to relocate, reconstruct, or replace them on the 0.83-acre tract to be conveyed to the United States. A performance bond in favor of the United States to assure the relocation or reconstruction of such improvements and facilities would be required.

The tract owned by the United States and now used as the Pleasant Grove administrative site has on it an office building and combined storage building and garage. It is improved with sidewalks, water, gas, sewer connections, electricity, and telephone lines. This tract adjoins the site of the local church. It is the only suitable area for needed expansion of church improvements and facilities.

The 0.83-acre tract which would be conveyed to the United States in the proposed exchange is a city lot in Pleasant Grove located about 500 feet distant from the present administrative site. It is adequate and acceptable as a site for the administrative improvements needed by the Forest Service. The 2-acre tract which would be conveyed to the United States in the exchange is located just outside of the city. It would provide a small pasture needed for Government-owned horses. It is conveniently located and there is included the right to water from a nearby spring.

The lands have been appraised by three disinterested persons familiar with land values in the vicinity. The average appraised value of the lands to be conveyed to the Government is \$3,850 and the average appraised value of the Pleasant Grove administrative site, exclusive of improvements, is \$3,323. The bill would not involve additional costs to the United States.

The present administrative site was purchased by the United States in 1937. It is not within the purview of any of the exchange laws applicable to lands administered by the Forest Service. Additional legislation, therefore, is necessary to authorize the proposed exchange.

The Bureau of the Budget advises that there is no objection to the submission of this report.

Sincerely yours,

MARVIN L. McLAIN,
Acting Secretary.

Saints shall furnish a performance bond in favor of the United States satisfactory to the Secretary of Agriculture to assure the proper relocation or reconstruction of such structures, improvements, appurtenances, and facilities.

The bill was ordered to be read a third time, was read the third time, and passed, and a motion to reconsider was laid on the table.

A similar House bill, H. R. 13257, was laid on the table.

EDUCATION AND TRAINING BENEFITS TO CERTAIN VETERANS

The Clerk called the bill (S. 166) to amend the laws granting education and training benefits to certain veterans so as to extend, with respect to certain individuals, the period during which such benefits may be offered.

The Clerk read the title of the bill.

The SPEAKER. Is there objection to the present consideration of the bill?

Mr. CUNNINGHAM of Iowa. Mr. Speaker, reserving the right to object, and I do not intend to object, I would like to inquire of the chairman of the committee about this bill. Does this bill apply to dishonorable discharges only?

Mr. TEAGUE of Texas. Until the discharge is corrected, it does not apply to a man who is dishonorably discharged.

Mr. CUNNINGHAM of Iowa. It does not apply to a man who is dishonorably discharged?

Mr. TEAGUE of Texas. The man must have had his discharge corrected.

Mr. CUNNINGHAM of Iowa. Does it apply to any kind of discharge other than dishonorable?

Mr. TEAGUE of Texas. It does apply to discharges other than dishonorable.

Mr. CUNNINGHAM of Iowa. My next question is, the original GI bill was enacted in 1944 and reenacted in 1945 and contains a provision that the GI bill of rights shall apply equally to all veterans other than those with a dishonorable discharge.

Mr. TEAGUE of Texas. The gentleman is correct.

Mr. CUNNINGHAM of Iowa. I understand that has not been corrected or changed?

Mr. TEAGUE of Texas. That has not been corrected or changed.

Mr. CUNNINGHAM of Iowa. Then, why is it necessary to do anything, if this applies to other than dishonorable discharges because everyone who has a discharge other than dishonorable is entitled to this anyway and should have had it whenever he applied for it unless the Veterans' Administration is violating the law passed by the Congress.

Mr. TEAGUE of Texas. I would point out to the gentleman that there are some delimiting dates which would affect many veterans, and that is the reason that this bill is necessary.

Mr. CUNNINGHAM of Iowa. It is only necessary for those who receive a dishonorable discharge.

Mr. TEAGUE of Texas. That is correct.

Mr. CUNNINGHAM of Iowa. And that dishonorable discharge is now going through the process of being corrected?

Mr. TEAGUE of Texas. That is correct.

Mr. CUNNINGHAM of Iowa. So that it will be no longer dishonorable?

Mr. TEAGUE of Texas. That is correct.

Mr. CUNNINGHAM of Iowa. Mr. Speaker, I withdraw my reservation of objection.

The SPEAKER. Is there objection to the present consideration of the bill?

There was no objection.

The Clerk read the bill, as follows:

Be it enacted, etc., That paragraph 1 of part VIII of Veterans Regulations No. 1 (a) is amended by adding at the end thereof the following new sentence: "Notwithstanding the provisions of the first and second provisos of the preceding sentence any otherwise eligible person whom the Administrator determines to have been prevented from initiating a course of education or training under this part within the period provided by the first of such provisos because such person had not met the nature of discharge requirements of this paragraph or of section 1503 of the Servicemen's Readjustment Act of 1944 (38 U. S. C. 697c) prior to a change, correction, or modification of a discharge or dismissal made pursuant to section 301 of the Servicemen's Readjustment Act of 1944, as amended (38 U. S. C. 693h), or the correction of a military or naval record made pursuant to title 10, United States Code, section 1552, or other corrective action by competent authority shall be permitted (a) to initiate a course of education or training under this part within 4 years after the date of his discharge or dismissal was so changed, corrected, or modified, or within 4 years after the date of enactment of this sentence, whichever is later, and (b) to pursue, subject to the other provisions of this part, such course for a period of not more than 5 years after the date of initiation thereof."

SEC. 2. (a) Section 212 (a) of the Veterans' Readjustment Assistance Act of 1952 is amended by adding at the end thereof the following new sentence: "Notwithstanding the preceding sentence any otherwise eligible veteran whom the Administrator determines to have been prevented from initiating a program of education or training under this title within such period because such veteran had not met the nature of discharge requirements of section 201 (2) (B) of this title prior to a change, correction, or modification of a discharge or dismissal made pursuant to section 301 of the Servicemen's Readjustment Act of 1944, as amended (38 U. S. C. 693h), or the correction of a military or naval record made pursuant to title 10, United States Code, section 1552, or other corrective action by competent authority shall be permitted to initiate a course of education or training under this title within 3 years after the date his discharge or dismissal was so changed, corrected, or modified, or within 3 years after the date of enactment of this sentence, whichever is later."

(b) Section 213 of the Veterans' Readjustment Act of 1952 is amended by striking out the period at the end thereof and inserting in lieu of such period a semicolon and the following: "except that any veteran who is eligible to initiate a program of education or training by reason of the provisions of the second sentence of section 212 (a) of this title shall be permitted to pursue, subject to the other provisions of this title, such program for a period of not more than 5 years after the date of initiation thereof."

With the following committee amendments:

On page 2, line 12, strike out "of."

On page 2, line 17, immediately before the period insert the following: "however, in no event may education or training be furnished to any such person after January 31, 1965."

On page 3, line 8, strike out "course" and insert "program."

On page 3, lines 14 and 15, strike out "the period at the end thereof and inserting in lieu of such period a semicolon and" and insert the following: and "and" and inserting in lieu thereof."

On page 3, line 22, strike out "thereof." and insert the following: "thereof; but."

The committee amendments were agreed to.

The bill was ordered to be read a third time, was read the third time, and passed, and a motion to reconsider was laid on the table.

Mrs. ROGERS of Massachusetts. Mr. Speaker, it is a source of satisfaction to me that the Congress has passed S. 166. The purpose of S. 166 is to restore educational and vocational training opportunities to veterans who were denied them by reason of an improper discharge but who have subsequently received a corrected discharge.

Under the laws providing education and vocational training programs it is a prerequisite for entitlement that a veteran be discharged from the service under conditions other than dishonorable. An eligible World War II veteran must have initiated his education or training within 4 years from discharge and a veteran of the Korean conflict is given 3 years for this purpose.

In certain cases a veteran who was initially barred from benefits because of the character of his discharge received a corrected discharge too late to begin education or training within such periods following separation from service. It is the purpose of S. 166 to remove this inequity and to give these veterans the same period of time after the date of correction of the discharge in which to apply for education and training as they would have had following discharge from service. Of course this would be limited by the final terminal date of January 31, 1965, applicable to training under the Korean GI bill.

CLAIMS FOR MUSTERING OUT PAYMENTS—AMENDING VETERANS' READJUSTMENT ASSISTANCE ACT OF 1952

The Clerk called the bill (S. 1698) to amend the Veterans' Readjustment Assistance Act of 1952, to extend the time for filing claims for mustering-out payments.

The Clerk read the title of the bill.

There being no objection, the Clerk read the bill as follows:

Be it enacted, etc., That section 503 of the Veterans' Readjustment Assistance Act of 1952 is amended by striking out "July 16, 1956" and inserting in lieu thereof "July 16, 1959."

The bill was ordered to be read a third time, was read the third time, and passed, and a motion to reconsider was laid on the table.

Mrs. ROGERS of Massachusetts. Mr. Speaker, S. 1698 would extend the time for Korean veterans to file claims for mustering-out pay under the Veterans' Readjustment Assistance Act. Under the act, the original cut-off date for filing application for such payments was July 16, 1954. The 84th Congress extended this date to July 16, 1956. There are still a number of Korean conflict veterans who have not received their mustering-out pay and the cut-off date for filing has, of course, expired. This bill will provide those veterans an opportunity to apply for this benefit to which they are entitled. This seems to be a matter of simple justice.

AMENDING WAR ORPHANS' EDUCATIONAL ASSISTANCE ACT OF 1956

The Clerk called the bill (H. R. 13559) to amend the War Orphans' Educational Assistance Act of 1956 to authorize the enrollment of a handicapped eligible person in a specialized course of vocational training.

There being no objection, the Clerk read the bill, as follows:

Be it enacted, etc., That the War Orphans' Educational Assistance Act of 1956 is amended by—

(1) inserting "(1)" in subsection (a) of section 312 after the words "such course", and adding the following phrase before the period at the end of that subsection: ", or (2) is approved for the enrollment of the particular individual under the provisions of section 314"; and

(2) adding at the end of title III a new section 314, as follows:

"SPECIALIZED VOCATIONAL TRAINING COURSES

"SEC. 314. Notwithstanding the provisions of subsections (b) and (c) of section 312, the Administrator may approve a specialized course of vocational training leading to a predetermined vocational objective for the enrollment of an eligible person under this title if he finds that such course, either alone or when combined with other courses, constitutes a program of education which is suitable for that person and is required because of a mental or physical handicap."

The bill was ordered to be engrossed and read a third time, was read the third time, and passed, and a motion to reconsider was laid on the table.

Mrs. ROGERS of Massachusetts. Mr. Speaker, I am happy that the House has seen fit to pass H. R. 13559. It is a very meritorious bill and will help to meet a pressing need for our veterans and their dependents.

H. R. 13559 would amend the War Orphans' Education Assistance Act to permit certain mentally or physically retarded children to enroll in specialized courses of vocational training. The War Orphans' Education Assistance Act of 1956 was a very important piece of legislation and provided educational opportunities to the children of veterans who lost their lives as a result of disability incurred in line of duty during World Wars I or II, or the Korean conflict. As a result of this law many war orphans have been afforded education and training which they would otherwise have been unable to obtain. The standards to be met under this system are such
